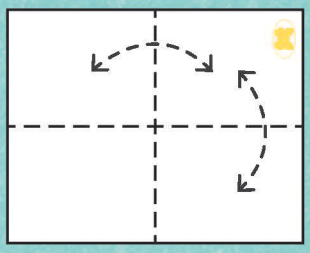
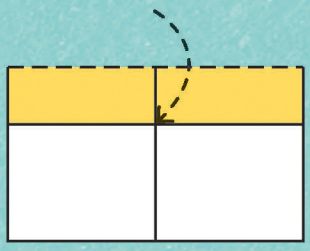
Voante

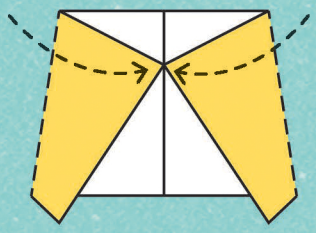
O Voante vai planar sobre a presa como um mestre.
Incline suas asas levemente para cima, em forma de 'V'.



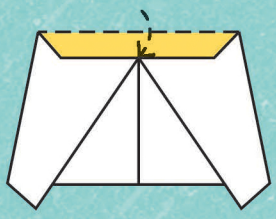
1. Gire o papel para a direita. Dobre-o no meio, de cima para baixo e da esquerda para a direita. Abra-o.



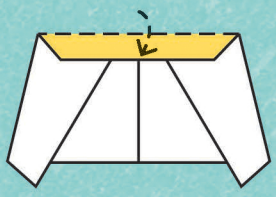
2. Dobre a metade de cima até a dobra do meio.



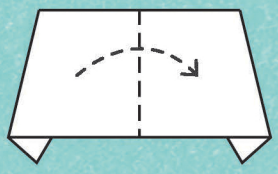
3. Dobre os dois cantos superiores até uni-los abaixo da aba, no meio do papel.



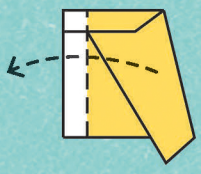
4. Dobre a parte de cima.



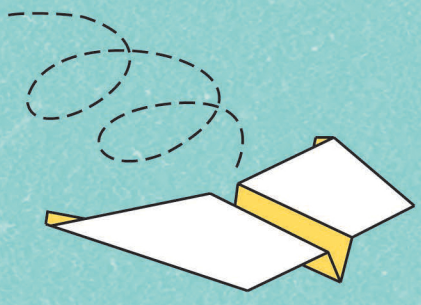
5. Dobre-a novamente.



6. Vire e dobre ao meio, da esquerda para a direita.



7. Dobre as asas para trás até a linha pontilhada.



8. O Voante ficará assim.
