

Meerkats

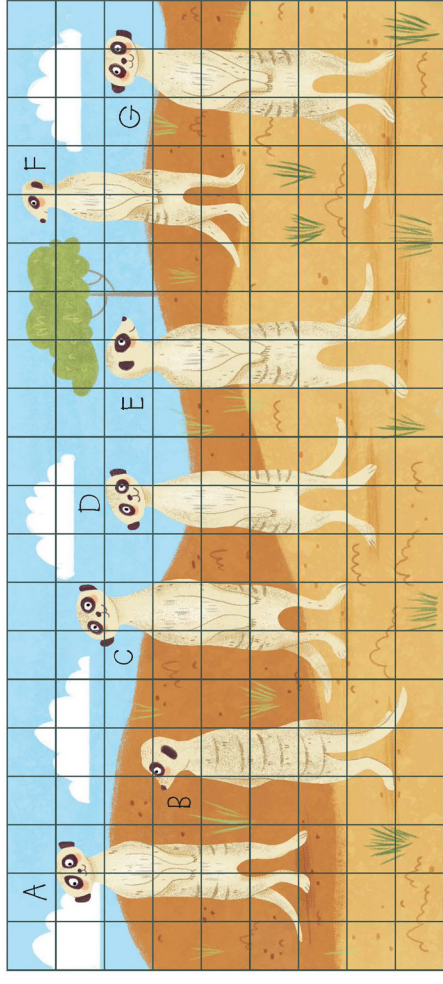

Meerkats dig complicated burrows in the ground, with lots of holes to go in and out.

Which way does this meerkat need to go to come out of hole D?

Can you spot a baby meerkat eating?

Meerkats stand up to keep an eye out for any dangers.
Which of these meerkats is exactly six squares tall?
.....

Are all the meerkats below asleep?

Yes / No

Draw faces on the rest of these meerkats.
