

MAKE YOUR OWN
FESTIVE GLASSES

ANISHA

ACCIDENTAL DETECTIVE

↪ CAN YOU SOLVE EVERY CASE?

- Colour in or decorate your glasses.
- Ask an adult to help you cut round the dotted lines.
- Attach the arms to the glasses behind the stars using tape or glue.
- Wear your glasses to help you solve the Christmas mystery!

CAN YOU SOLVE EVERY CASE?

At the Christmas fayre, Anisha asks everyone to write a letter to someone in the community who might be feeling alone at Christmas. Write your own letter below, spreading some Christmas joy.

Handwriting practice paper with 10 horizontal lines. A small illustration of a postbox is located in the bottom left corner, with a yellow arrow pointing to it. The postbox has a sign that reads "LAST POST 24 DEC".

Add your letters to a display in your library, school or community centre!
