

IN THE CITY

Like many places around the world, this city has lots of tall buildings and skyscrapers. Can you complete all the puzzles and activities?

Complete this building.

How many birds are there on this building's window ledges? Fill them in as you count them.

Total

Reading across the windows from the top of the building to the bottom, can you find the names of four places around the world with lots of skyscrapers?

(Clue: look at the capital letters.)

a	H	m	v	O	
i	p	N	k	y	
G	u	K	h	o	
w	O	b	N	e	
n	j	G	N	q	
E	o	W	f	u	
a	Y	c	n	O	
R	d	K	x	e	
D	d	q	U	h	
f	B	o	c	A	
p	g	I	f	e	
m	T	u	x	O	
K	o	i	Y	c	
b	h	O	n	p	
g	v	m	a	j	

Starting here, can you find a route up to the top of this skyscraper?

Each of these sudoku puzzles contains four different pictures. Each puzzle must have one of each picture in each row, column and 4-square box.

Add windows to this skyscraper.

Can you spot these windows in the building above?
