

# CREEPY CRAWLIES

## Silly game

Ask a friend any question...

...and the answer is:

Take turns to ask questions - the answer is always the same!

Anyone who laughs is out of the game.

Doodle more bugs in this space...

### Jumping fleas

Amazingly, a flea can jump 100 times its own height.

### Stinky ants

When an ant finds some food, it leaves a smelly trail for other ants to follow.

### Hairy worms

Earthworms have tiny hairs all over their bodies. When a worm moves, it uses these tiny hairs to grip onto the soil.
