

EXPLORING EARTH

Great explorers

Read the descriptions below. Then, look closely and circle four things that shouldn't be in the pictures.

Englishman Captain Cook explored the coastline of Australia in the 1770s.

In 1911, Norwegian Roald Amundsen and his team became the first people to reach the South Pole.

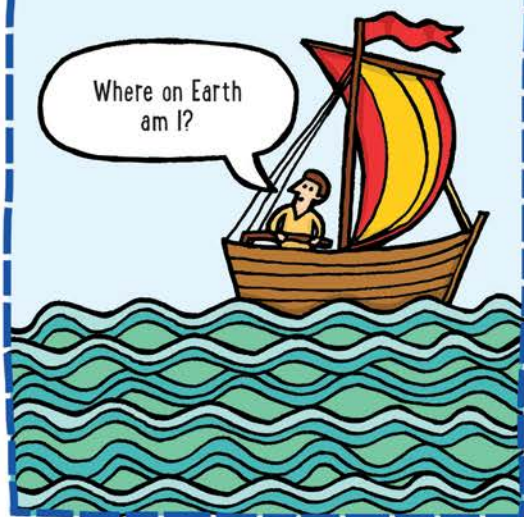

Venetian explorer Marco Polo set sail for Asia in 1271.

Viking explorer Leif Ericsson sailed to North America in the year 1000.

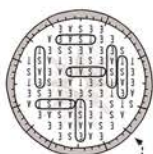

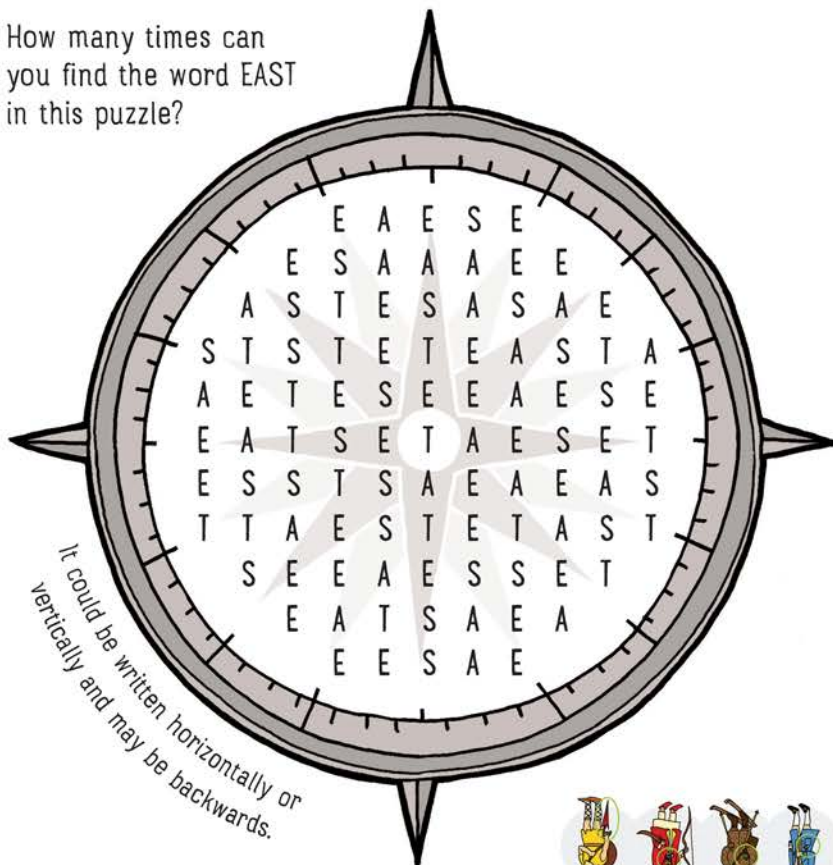

Did you know?

In the Middle Ages, the little-explored Atlantic Ocean was sometimes known as the Green Sea of Darkness. Sailors were afraid that if they went too far, they'd never find their way back.

Due east

How many times can you find the word EAST in this puzzle?
