

# Fruity flag strings

- Use pink for watermelon.
- 1 Fold a piece of bright paper in half.

- Don't cut through the fold.
- 2 Draw a curved shape and cut along the line.

- 3 Draw or paint on seeds and rind.

Draw on red seeds.

Hang your flags on a piece of string.

For strawberries, draw two shapes like this and cut them out.

For a pineapple, cut an oval shape from yellow folded paper.

Cut leaves from green paper and stick them on.

Find somewhere to hang your flag string.
