

# Home-grown harvest

It's time to harvest some of your home-grown produce. Look at the layout of the growing areas, then plan a route to collect all the crops on the list below in that order. Use the marked entrances to go in each area, and don't go anywhere twice.

- |                |   |             |   |
|----------------|---|-------------|---|
| 1. Apples      |  | 6. Tomatoes |  |
| 2. Cauliflower |  | 7. Corn     |  |
| 3. Carrots     |  | 8. Squash   |  |
| 4. Radish      |  | 9. Pumpkin  |  |
| 5. Raspberries |  | 10. Cabbage |  |

This is an entrance.
