

# Make a tractor picture

...using shapes cut from red, black and white paper.

- 1 Draw a rectangle and cut it out.

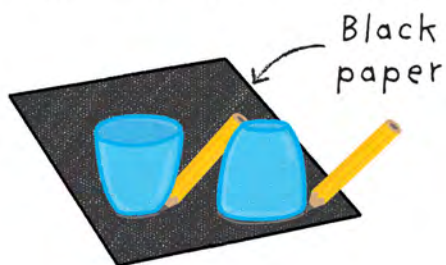

- 2 Draw a square and cut it out.

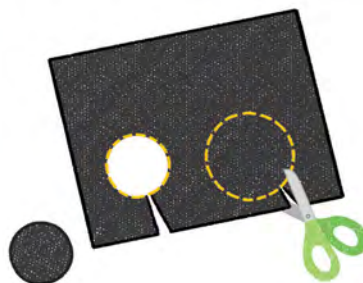

- 3 Fold the square in half and cut it like this.

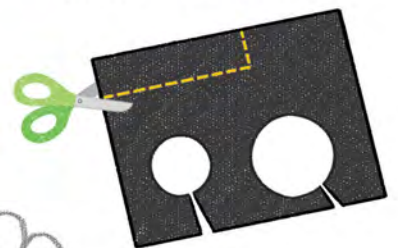

- 4 Draw around the top and bottom of a cup.

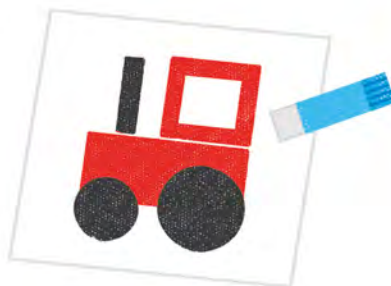

- 5 Cut out the circles.

- 6 Draw a rectangle and cut it out.

- 7 Stick the shapes onto paper.

- 8 Use pens or crayons to add details.

I've drawn myself inside the tractor!
