

Make pebble pals

Paint a pair of friendship pebbles for you and your best friend to keep.

- 1 Wash two pebbles that look similar and let them dry.

- 2 Paint them...

- 3 ...and leave them to dry.

- 4 Use paint or pens to decorate them.

Use one of these ideas, or think of your own.

Love bugs

See how to make fingerprint hearts on page 10.

You could do the same design in different shades.
