

Why do poos look different?

Because animals eat and drink different things.

Their poos have different NAMES and come in different COLOURS.

Can you guess who did these poos? Match the pictures to the names below.

Cow pat Wombat scat Zebra dung Hare droppings Sheep droppings
Deer fewmets Bird droppings Tiger scat Bear scat Penguin guano
Canada goose droppings Blackbird droppings Hedgehog scat Otter spraint

Answers: 1. Cow pat, 2. Sheep droppings, 3. Bird droppings, 4. Wombat scat, 5. Tiger scat, 6. Otter spraint, 7. Hedgehog scat, 8. Deer fewmets, 9. Zebra dung, 10. Hare droppings, 11. Bear scat, 12. Canada goose droppings, 13. Blackbird droppings, 14. Penguin guano.
