

All About Diversity

Objectives: Understand that all people and places are different; consider what makes you unique and sketch a self-portrait.

My name is

I am _____ years old

A fun fact about me is

Being different from each other is called DIVERSITY and it is an amazing thing! Take a moment to look across your classroom; every single one of you is different in some way. Isn't that brilliant?

Draw a self-portrait of yourself and note down a fun fact about you that makes you different.
