

# UNWORRY ACTIVITIES

## STORY MAKER

Time for some more CREATIVE distraction and brain-stretching. Use the 'story board' here to create a story. You could draw, or write, or use a combination of both to make a cartoon strip.

Pick one of these characters to build a story around, or make up one of your own.

A mysterious spy who might be a double agent.

Someone who has been framed for a crime they didn't commit.

The sole survivor of a shipwreck.

A scientist who's discovered aliens, but hasn't told anyone else.

STORY BOARD

Putting yourself in someone else's shoes can help you understand your own feelings more.
