WEREWOLF WOOD

Get ready for heart-pounding chases beneath the full moon, mysterious figures lurking in the woods and fun picture puzzles to solve in this spooky adventure where every choice you make leads to new twists and turns.

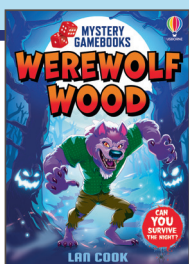

Read on for a taste of what you can expect...

“Another howl pierces the air, closer this time. A lot closer. Yelping in surprise, you frantically search the shed for any clues to unlock the trapdoor.”

Look at the picture and find three numbers in the shed. Put them in order from smallest to largest, to unlock the trap door.

Answer: 129
