

Penguins

Penguins are birds with flippers and black and white feathers. There are lots of different kinds. Can you identify these four? Read the descriptions, then write the correct number above each penguin.

1. Chinstrap – has a thin black line under its chin
2. Emperor – the tallest and biggest kind of penguin
3. Little – the smallest kind of penguin
4. Macaroni – has tufts of yellow feathers on its head

The facts below are all missing a word. Find each missing word on the answer card and write it in.

FACT FILE

- 1 Unlike most birds, penguins can't
- 2 Penguins a lot.
- 3 Not all penguins live in places.
- 4 Baby penguins have coats.
- 5 Some penguins slide across ice on their
