

# SATURDAY ACTIVITIES

Imagine a background for this old family portrait.  
Draw it in, then colour the whole picture.

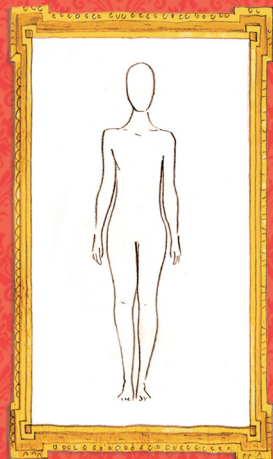

Try filling this frame with a picture  
of yourself or a character from  
your imagination.

What expression  
will you give to this  
royal portrait?

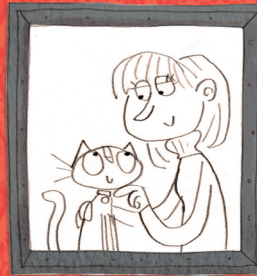

Fill this frame with a  
superhero or an alien.

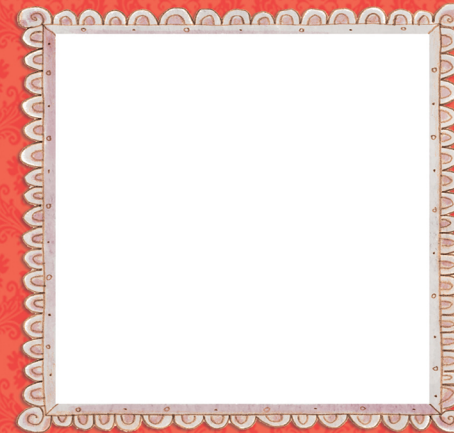

You could give this  
portrait a stylish outfit.

Give these  
portraits faces  
and hair.

Give fantastic hairstyles  
to these bald heads.

Instead of drawing a face,  
you could cut out and  
stick in a photograph  
from an old magazine  
or newspaper - then  
doodle over the top.
