by JAMIE HAMMOND

CREATE YOUR OWN MONSTER

With a friend, draw your own monster to live in Grumpfort. Take it in turns to draw a section in secret. When you've finished your part, fold it back along the dotted lines to hide it, and pass the sheet to your friend to continue the drawing.

Draw the head and neck here

Next, add the body and arms

Give your monster some legs - how many will they have?

Finish your monster with some feet

Now, unfold your paper to reveal your monster!
