

Meet the dinosaurs

There were hundreds of kinds of dinosaurs and they were different in many ways.

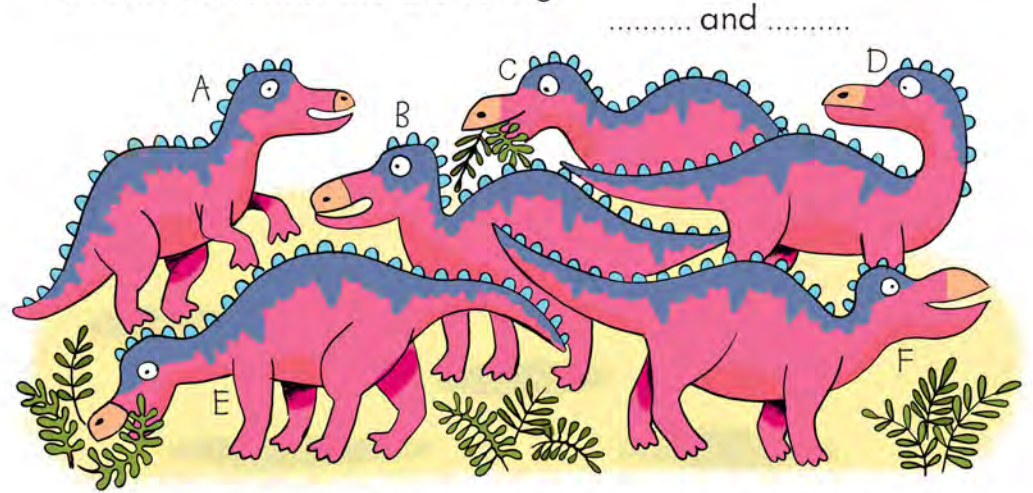

Some dinosaurs, like this Allosaurus, ate meat.
Which Stegosaurus is it going to catch and eat?

Baryonyx caught fish with its huge curved claws. Which way should the fish go, to escape?

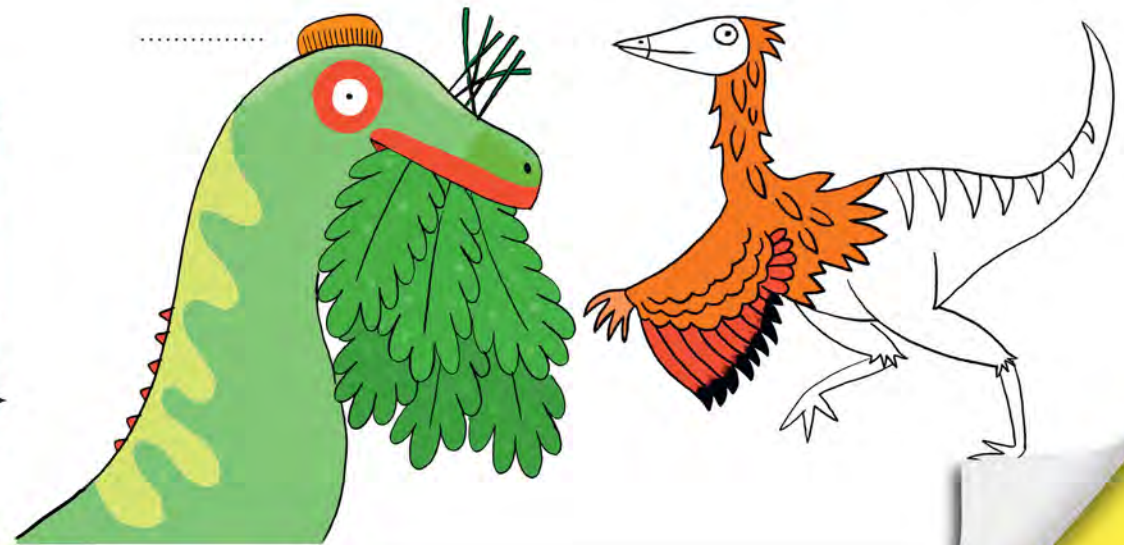

Some dinosaurs lived alone. Others lived in groups called herds.
Which two in this herd are eating?

Some dinosaurs ate plants.
Count the leaves in this dinosaur's mouth.

Some dinosaurs had scaly skin,
and some had feathers.
Colour the rest of this dinosaur.
