

# Make paper birds

These fluttery birds make lovely springtime decorations.

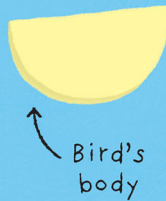

- 1 Draw around a bowl on paper.

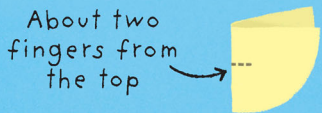

- 2 Cut out the circle...

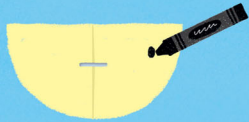

- 3 ...and fold it in half.

- 4 Fold gently in half and cut like this.

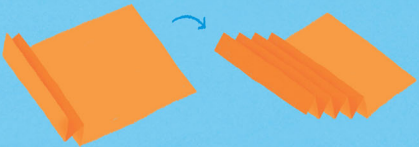

- 5 Unfold and draw an eye near one corner.

- 6 Fold a piece of paper from the short edge.

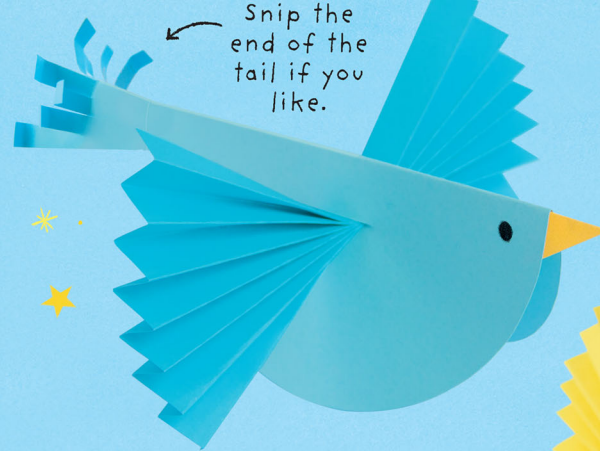

- 7 Turn it over and fold it again.

- 8 Keep turning and folding.

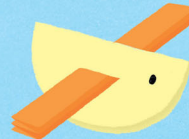

Whole sheet folded

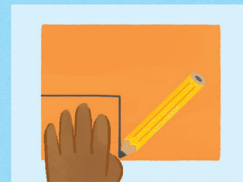

Snip the end of the tail if you like.

You could add string to hang your bird up.

- 9 Push the folded paper through the slit.

- 10 Draw a rectangle around your fingers on paper.

- 11 Cut it out.

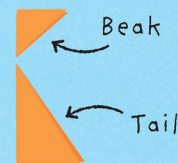

- 12 Fold in half.

- 13 Draw lines like this.

- 14 Cut along the lines.

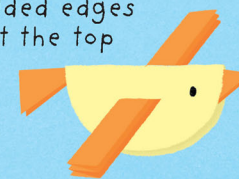

Beak

Tail

- 15 Stick inside the body like this.

Folded edges at the top

- 16 Fan out the wings.
