

Printed cows

1. Cut a small square of sponge. Then, pour some black paint on an old plate.

2. Dip the sponge in the paint and print squares all over a piece of white paper.

3. Cut a body and head from the printed paper. Glue them onto a piece of paper.

4. Draw four legs and two ears. Cut them out and glue them on.

5. Use a pink pencil to fill in the cow's nose. Draw two eyes and a tail.
