

Stinky stuff

It was smelly and filthy in castles. There were lots of animals, and people didn't wash much. Draw a line to link each of the stinky descriptions below to the correct picture.

ROTTEN FOOD

There were no fridges, so the food went bad.

STINKING TOILETS

Everything just dropped down inside the walls into a pit or the castle moat.

PONGY PEOPLE

People didn't wash themselves or their clothes very often.

SMELLY ANIMALS

There were dirty cats, and dogs... and rats!

FILTHY FLOORS

When the rushes on the floor got too dirty, they were brushed up and replaced.
