

Make a rainbow mobile

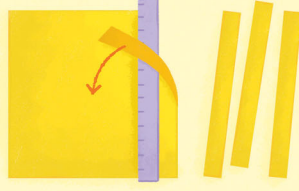

This is a lovely gift to brighten up someone's day.

Make a sun...

- 1 Hold a ruler down straight on yellow or orange paper.

Pull this way.

- 2 Tear four strips from the top.

- 3 Draw around a cup on the leftover paper...

- 4 ...and cut out the circle.

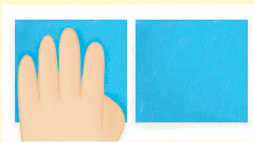

- 5 Tear your strips in half. Stick them around the edge of the circle.

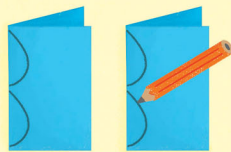

- 6 Draw on a face, then stick a string to the back.

...then raindrops...

- 1 Cut two squares of blue paper as wide as your hand.

- 2 Fold each square in half. Draw on curved shapes like this.

- 3 Cut them out and unfold. Stick them onto two strings.

...and a rainbow.

- 1 Draw around a plate on paper. Cut out the circle.

- 2 Fold it in half, then cut along the fold.

- 3 Draw a red stripe around the top edge of one piece.

- 4 Fill your rainbow with more stripes like this.

- 5 Cut out the white part from the middle, then stick a string to the back.

Tie your sun and rainbow strings onto a stick.

Tape your raindrop strings to the back of your rainbow.
