

# STEP-BY-STEP DRAWING

The countdown is almost over. BUT there's still time to draw snowflakes, reindeer and elves.

1. Draw a line...

2. ...and a big X on top.

3. Doodle shapes on one point...

4. ...then on all the rest.

1. Draw a shape like this.

2. Add ears, eyes, a nose...

3. ...and a big pair of antlers.

Don't forget to leave out some food for my friends tonight – see page 27.

1. Start with the head and body.

2. Add arms, legs...

3. ...a hat, ears...

4. ...hair, a face and stripes.
