You will need: a pencil, a black pen, a rubber and colouring pencils.

Step 1: Use a pencil to draw...

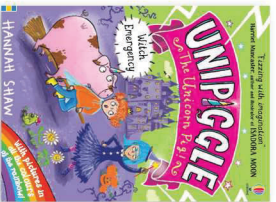

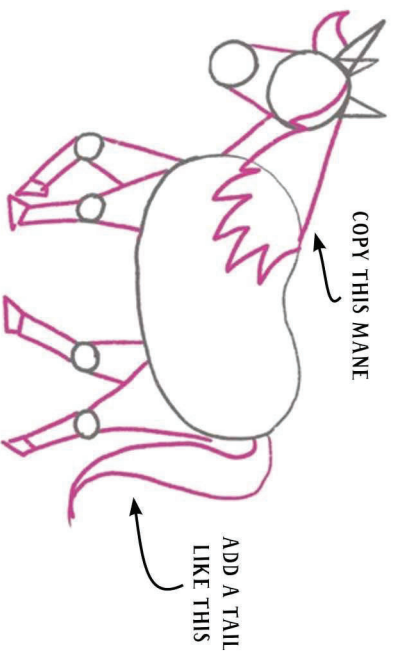

Step 3: Use a pen to draw your unicorn on top of the pencil shapes.

Step 4: Wait for the ink to dry, then rub out all of the pencil lines. Now it's time to colour in your unicorn, using the colouring pencils!

Decorate a UNIPIGGLE PUMPKIN

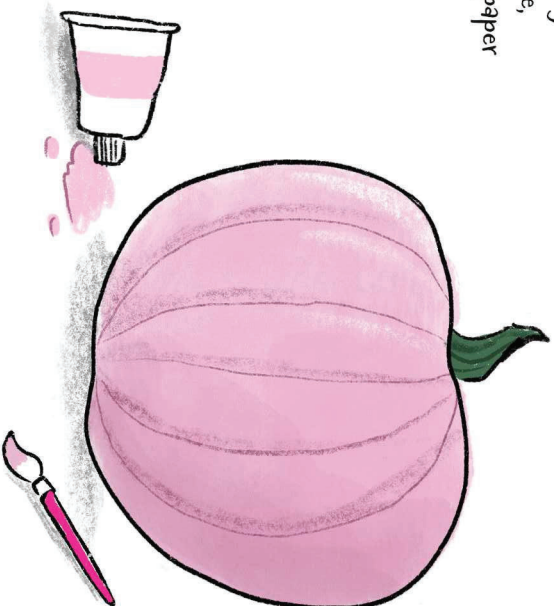

You will need: A pumpkin or squash, preferably one with a long stem, acrylic paints and paintbrushes, a black marker pen.

1. Pick a pumpkin with a long stem (if you can't find one, you could always make a paper cone horn instead).

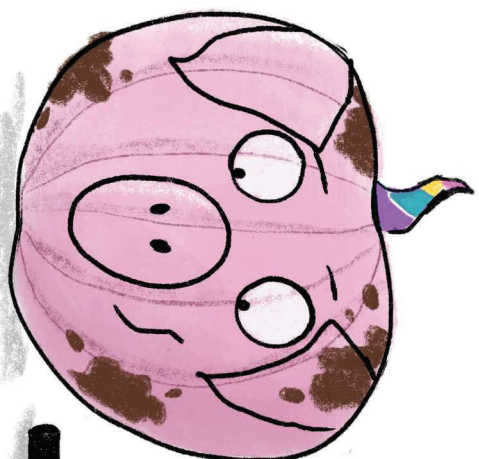

2. Paint your pumpkin pink all over and leave to dry.

*Tip: You could mix red and white paint to get the right colour.

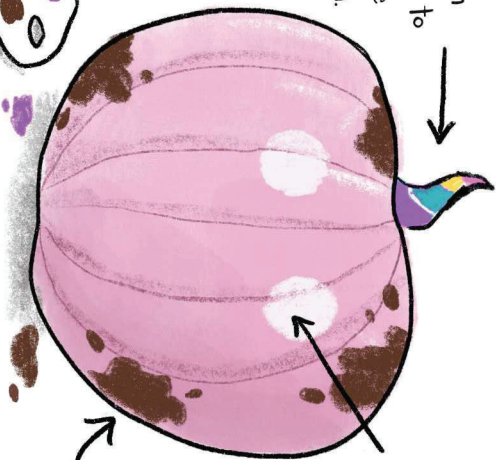

3. Once all the paint is dry, use a black permanent marker pen to draw Unipiggle's eyes, snout, mouth and ears onto the pumpkin.

You could even draw a curly tail on the opposite side.

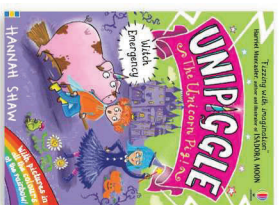

4. Paint your stem rainbow colours to make it look like Unipiggle's horn.

5. Paint brown mud-like splats around the sides of your pumpkin.
